Trainer Information:

Lt Col Sazali Bin Sukardi (Retired)

Senior Vice President
Strategic Research
CyberSecurity Malaysia

Email: sazali@cybersecurity.my

Website: www.cyberguru.my

He holds Master of Science in Information Security from Royal Holloway, University of London, Master of Arts in Defence Studies from King's College, University of London, Post Graduate Diploma in System Analysis from Universiti Teknologi MARA (UiTM), and Bachelor of Science in Civil Engineering from University of Hartford, Connecticut, USA. He was also a staff college graduate from the Joint Services Command and Staff College, Shrivenham, United Kingdom.

He has served the Malaysian Armed Forces before joining CyberSecurity Malaysia in 2009. His current post deals with cyber security strategic studies that include the exploration of suitable strategic initiatives, formulation of new policies, and initiation/coordination of research programs. He was the Leading Co-Chair of the Council for Security Cooperation in Asia Pacific Study Group on Cyber Security (2010-2012), and he has been representing Malaysia in several international discussion forums and organizations namely ASEAN Regional Forums and ASEAN Senior Official Roundtables in Cyber Security. Currently, he is a part-time lecturer at Universiti Kebangsaan Malaysia in MSc Cyber Security and a guest lecturer at the Malaysian Armed Forces Defence College since 2012. He used to lecture at the Malaysia Armed Forces Staff College under the executive program by Universiti Pertahanan Nasional Malaysia (2012-2014), and Universiti Teknologi Malaysia in MSc Information Security (2009). He has also served as an industry panel for several Malaysian universities in information security and cyber security programs.

Lt Col Mustaffa Bin Ahmad (Retired) C|CISO

Senior Vice President

Outreach & Capacity Building

CyberSecurity Malaysia

Lt Col Mustaffa bin Ahmad (Retired) C|CISO psc is the Senior Vice President, Outreach and Capacity Building Division of CyberSecurity Malaysia (CSM) – an agency under the purview of Ministry of Communications and Multimedia Malaysia. Prior to joining CSM in 2007, he has served more than 18 years in the Malaysian Armed Forces in various capacities including a stint as a United Nations Military Observer in Western Sahara, Africa and his last post was the Commanding Officer of the 6th Battalion of the Royal Malay Regiment.

He holds a Bachelor and Master's degree in Mass Communications and Political Science from the University of Wisconsin-Superior, USA, a Post Graduate Diploma in Strategic Studies from University Malaya, and a graduate of the prestigious Malaysian Armed Forces Staff College.

Mustaffa spearheads CyberSecurity Malaysia's Outreach and Capacity Building Division and contributed his thoughts towards cyber safety awareness and education program, targeting children, parents, teachers, students, and organisations. His current position requires him to utilize his strong management skill and vast experience to plan and administer the overall training programs to ensure CSM is equipped with up-to-date professional training modules. He helped develop the Global ACE Certification Project which was named as the World Summit on the Information Society Prizes (WSIS Prizes) 2020 Winner at the WSIS Forum 2020 in Geneva, Switzerland recently. Mustaffa has been recognized also as a leader in internet safety and digital citizenship where he has been invited on various panels in forums and conferences, created modules and national school's discourse competition with the Ministry of Education. He has appeared in numerous radio and TV talk shows to instill acculturation of cyber security among Malaysians. Mustaffa is also a Certified Chief Information Security Officer (C|CISO) and is a proud father of five children.
